THE FIRST NATIONAL JEWISH ANTI-ZIONIST GATHERING

Prior to the 2010 US Social Forum - JUNE 19-22, 2010: DETROIT

www.JewsConfrontApartheid.org

The 2010 US Social Forum comes at a time when there is great urgency to build on recent successes of the Palestine solidarity movement, as United States corporations and the government continue to commit grave injustices in Palestine- not to mention in our own communities. Organized anti-Zionist Jews in the United States can play a critical role in movements with anti-racism and anti-imperialism at the center, and building stronger international solidarity.

Come together with other anti-Zionist Jewish activists committed to challenging racism, colonialism and imperialism- first and foremost by contributing to efforts to overcome Zionism and decolonize Palestine.

- **Build** a shared direction and shared strategies for anti-Zionist Jewish organizing in the US, and build relationships across locations for our organizing efforts.
- **Advance** the Palestinian call for Boycott, Divestment and Sanctions, including: campaigns against the Jewish National Fund; citywide to statewide divestment and boycott campaigns; labor divestment from Israeli bonds and the Histadrut, Israel's founding labor Zionist organization.
- **Develop** anti-Zionist Jewish political perspectives and analysis, art, culture, and spiritual practice against Zionism's attempt to erase or co-opt our multiple social, cultural and political histories.

We welcome all who are interested in supporting the organizing of anti-Zionist Jews as part of the broader Palestine solidarity movement and anti-racist, anti-imperialist organizing in the United States. However, the Assembly is oriented toward Jews confronting Zionism.

Visit the website to register for the assembly, submit workshop proposals, endorse, sponsor or donate to the event, or for more information about how to get involved! *Register by May 19th for a discounted registration fee.*

This event is being organized by the International Jewish Anti-Zionist Network, Middle East Children's Alliance, and Philadelphia Jews for a Just Peace.
